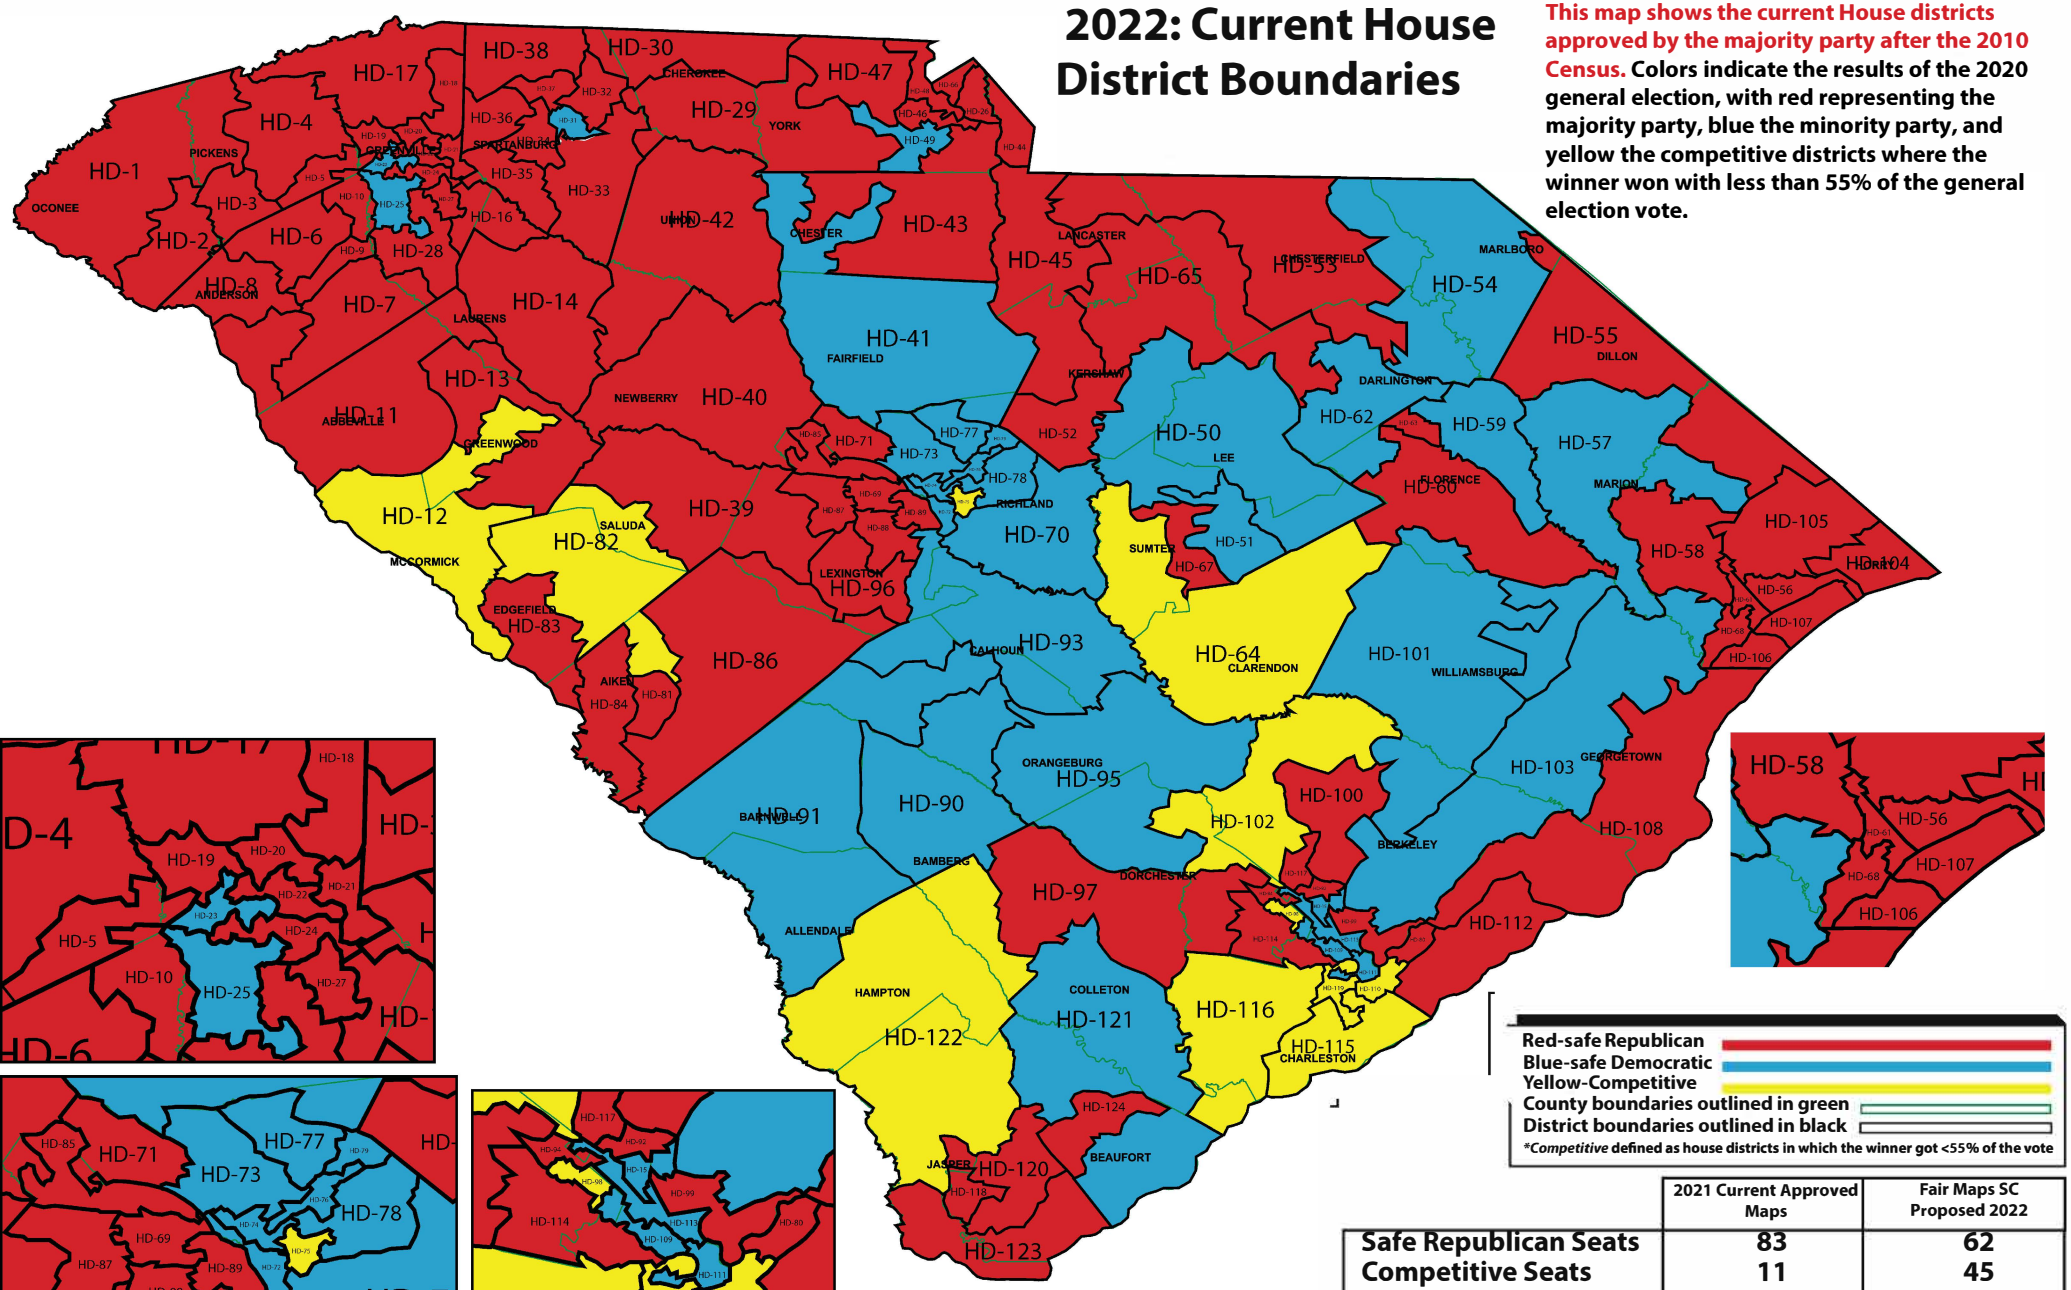
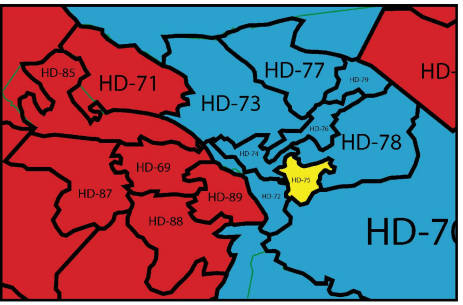
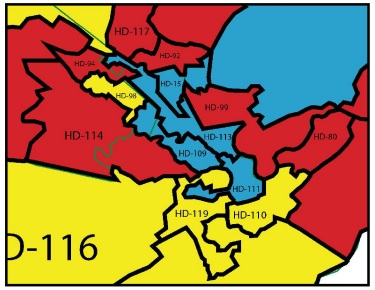
2022: Current House District Boundaries

This map shows the current House districts approved by the majority party after the 2010 Census. Colors indicate the results of the 2020 general election, with red representing the majority party, blue the minority party, and yellow the competitive districts where the winner won with less than 55% of the general election vote.







Red-safe Republican
Blue-safe Democratic
Yellow-Competitive
County boundaries outlined in green
District boundaries outlined in black
**Competitive* defined as house districts in which the winner got <55% of the vote
